GENERAL INFORMATION

TOUR REPS
Escorted tours are accompanied by our Tour Representatives (Tour rep or Driver). On occasions, the tour rep may not meet passengers at their respective pickup point, but at a later stage, however, the driver or alternative rep will be there to take care of any of the passengers’ needs. A number of itineraries include travel via flight or rail and on these itineraries; passengers are not accompanied by a tour rep/local representative during these journeys. In this case, the tour rep will meet passengers at the arrival destination. Star Tours aim to provide tour reps with mobile contact numbers which their passengers will be carrying whilst on tour (it is advisable that at least one passenger in a group carry a contactable mobile). On coach tours, the tour rep will provide passengers with their contact details for the duration of the tour on the first day. For flight tours, the passengers will receive these details via a tour confirmation within 24 hours of their departure. All our tours will be conducted in English.

CHANGING THE ITINERARY & TIMEKEEPING
Please note that during the tour, the tour rep reserves the right to modify the itinerary as they deem fit. These changes are usually due to unexpected delays or major local events that can often arise. Whilst travelling on organized group tours, adhering to timings given by the tour rep is very important. All our tours are subject to governance by DVSA for driving hours; hence it is the passenger’s responsibility to ensure all departure times are adhered to. Star Tours will not take responsibility for passengers left behind due to not adhering to itineraries and times stated by the tour rep for whatever reason, and any subsequent impact this may cause financially or non-financially. It is a passenger’s responsibility to ensure that they are clear in understanding the departure time from any given point.

COACHES & TRANSPORTATION
Our coaches are fitted with TV, DVD or CD player, and air cooling and toilet facilities (WC facilities on coaches have limited capacities, and therefore we advise passengers to use them only on an ‘emergency’ basis as once capacity has been reached the WC will be locked). On rare occasions, your coach may not have a WC facility on board. On our flights, please note that your touring coach will not have a WC facility on board. We have a strict no smoking policy; this includes the use of e-cigarettes and other vaporizers. Alcohol consumption is also prohibited on all our Coaches. During transfers, we may use an alternative vehicle without the above facilities (WC facilities will not be present on smaller coaches or vehicles). These transfers include but are not limited to – certain days of e-cigarettes and other vaporizers. Alcohol consumption is also prohibited on all our Coaches. WEATHER
Weather in much of Western Europe tends to be similar to England and is very unpredictable. Regardless of the time of the year, it is advisable to carry a small umbrella at all times. Temperatures vary from place to place, and it is a good idea to check online for average temperatures for the destination(s) being visited. Passengers can be well prepared by ensuring they are carrying appropriate clothing, footwear, and accessories. Passengers should also be aware that some sightseeing will be done after dusk.

CLOTHING & ACCESSORIES
During summer months it is advisable to wear light garments and perhaps keep a light jacket or sweater handy. It is advisable to carry a light waterproof jacket or umbrella. Passengers should also carry suitable footwear as per the itinerary of the tour. Passengers should also carry travel adapters so they can charge their electronic items in their hotel room (as the sockets in Mainland Europe and elsewhere may vary). Passengers may also want to carry a small travel iron, hair-dryer, kettle etc. as not all hotels will have these in the rooms. Passengers should consult with Star Tours at the time of booking if they are unsure.

CHILDREN & YOUNG INFANTS
Children under the age of two years will be charged an infant fare, and on a flight tour, a nominal supplement applies. Child/Infant booster seats are not provided by Star Tours, and it is strongly advisable to carry your own, which is adaptable to coach seats. Milk and baby food cannot be provided by the hotel or restaurants and passengers are advised to carry ready baby milk cartons whilst on tour. Please also note that not all hotels provide a kettle so if hot water is required for warming milk etc. in the hotel then it is advisable to carry a bottle warmer/kettle. Pushchairs can be kept in the luggage lockers of the coach. Children will not be allowed to occupy seats near the front of the coach.

BAGGAGE
Star Tours operate a luggage handling service under which the driver will load and unload one piece of luggage per person from the coach (weighing up to a maximum of 20kg, and not exceeding dimensions of 90 x 75 x 43 cm / 35.5 x 29.5 x 16 ins). It will be the passenger’s responsibility to carry their luggage to and from the coach as well as their hotel room. In addition, they are also entitled to carry one piece of hand luggage (weighing up to a maximum of 7kg, and not exceeding dimensions of 20 x 20 x 48 cm / 8 x 8 x 19 inches), which can fit under their seat or in the overhead compartment. These dimensions differ from Airline luggage allowance due to the difference in stowaway compartment sizes of standard European Coaches. Any luggage placed in the lockers can only be accessed at the Hotel/final point only. If you check in extra baggage, or baggage beyond the limits outlined here an additional fee of £10 per bag per day will apply (subject to availability). All baggage is placed at the owner’s risk, and Star Tours or its partners accept no liability for loss or damage to bags hoaxedover caused.

These excursions are priced separately and operated solely by the driver and tour leader. However, Star Tours have set individual prices to ensure consistency in the price. You will be assisted by a local contact during your tour for emergencies and enquiries. Your local ground agent will not be present with you at all times. Many of your sightseeing excursions will be guided by a local agent; however, at times, you will be given free time to explore the destinations on your own.
